STEP 4

1. Read and accept EULA (End User License Agreement) in order to use the Virtual World application.

EULA

Please read this EULA carefully, as it sets out the basis upon which we license the Software for use. It also applies to your use of our Cloud Services, which can be accessed using the Software. Before you use the Software, we will ask you to give your express agreement to the provisions of this EULA.

Unless we have agreed otherwise with a relevant Customer: (i) you must be at least 18 years of age to create an account to use the Software; (ii) by using the Software, you warrant and represent to us that you are at least 18 years of age; and (iii) we may terminate your right in relation to the Software and Cloud Services, and may delete your account, if we know or reasonably suspect that you are not at least 18 years of age.

1. Definitions

1.1 In this EULA:

"App Store" means any online sales and distribution platform operated by a third party by means of which the User obtained the Software;

"App Store Terms and Conditions" means the terms and conditions of any App Store that set out any rights and/or obligations of the User in relation to the Software;

"Cloud Services" means:

- (a) the hosted services made available by the Licensor to a Customer under a Customer Agreement, which that Customer may permit the User to access through the internet and by means of the Software, and which may include private environments of the Customer; and
- (b) the public environments maintained by the Licensor, which the Licensor may permit the User to access through the internet and by means of the Software;
